ITALIA –GRECIA grupo 1

Roumeliotis, Georgios (M) from Greece - From Mizio, Vincenzo (M) from Italy prepare:
The geological genesis of Italian volcanoes and earthquakes in general.

Asimakopoulou, Vasiliki (F) from Greece - Clemente, Vittoria (F) from Italy:
Study of the volcano Vesuvius (Naples), whose eruption buried the Roman cities of Herculaneum and Pompeii in 79 AD.

Droulia, Athina (F) from Greece - Damiano, Assunta (F) from Italy:
To analyze the effects of the gases and ashes of the Vesuvius volcano in the Roman city of Herculano in AD 79

Foteinou, Dimitra (F) of Greece - De Simone, Veronica (F) of Italy
To analyze the effects of gases and ashes on the Vesuvius volcano in the Roman city of Pompeii in 79 AD.

Roumelioti Zoi (F) from Greece - Gallo, Gaia Valeria (F) from Italy:
Last eruption of the volcano Vesuvius occurred in 1944.

ITALIA – FRANCIA grupo 2

Group 2. Tareas sobre Italia y Francia: (Movilidad sobre Italia y Francia):

Ciccione, Domenico (M) from Italy- Boyeau, Chloe (F) from France:
Génesis geológica de los volcanes de Italia (Análisis en general).

D'Apice, Gabriele (M) from Italy- Cantal Lewis, Ashley (F) from France:
Génesis geológica de los terremotos de Italia.

Iermano, Gabriele (M) from Italy- Chailly, Ludvina (F) from France:
Génesis y situación actual de la caldera volcánica de Campi Flegrei.

Pacifico, Angelo (M) from Italy- Cophil, Marina (F) from France:
Génesis del volcán Solfatara, cercano a Nápoles.

Olivieri, Angela (F) from Italy- De la Reberdiere, Tracy (F) from France:
Génesis del Volcán Vesubio.

ITALIA – SPAGNA gruppo 3

Group 3. Tasks about Italy and Spain: (Mobility to Italy and Spain)

Calabrese, Giandomenico (M) from Italy- Beckmann, Solomon Sidney (M) from Spain:
Geological genesis of volcanoes and Italian earthquakes.

Noviello, Luigi (M) from Italy- Rodríguez Gómez, José Antonio (M) from Spain:
Study of the volcano on which the city of Sant'Agata dei Goiti is built.

Damiano, Simona (F) from Italy- Guirao Molina, Maria del Carmen (F) from Spain:
Analysis of the volcano Vesuvius (Naples), whose eruption buried the Roman cities of Herculaneum and Pompeii in 79 AD.

Filippone, Aida (F) from Italy- Lasso Bautista, Estela (F) from Spain:
Effects of the eruption of the Vesuvius Volcano in Pompeii and Herculaneum in the eruption of 79 AD.

Pisaniello, Adele (F) from Italy- Serrano Fernández, Lucia (F) from Spain:
Eruption of the Vesuvius of 1944.

Barbato, Andreina (F) from Italy- López González, María (F) from Spain:
Geological origin of the Grassano River and Lake Telese.
